One is to provide one thing away free of charge with your guide, akin to a precious bonus item. Or bundle several ebooks below one price, which lowers the worth for every ebook in the event that they were bought separately.

An efficient technique for figuring out a value is to ship out a survey to your present customers. If these clients have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by creating a sales page for the brand new guide, however do not embrace a worth on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with different prices on each page. Be sure your gross sales copy is strictly the similar on every web page, and

contains your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your site and gross sales of your book. This will let you know what your optimum value is.

Ultimately, for those who've written a ebook that solves a problem or presents a new technique, your book will usher in each visitors and profits. So you'll want to write that selling-handle sentence that sums up what downside your guide solves and what the benefits of your 31 e-book can be to the customers who buy it.
