Do this by making a gross sales page for the brand new ebook, but do not embody a value on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out prices by creating a variety of duplicate gross sales pages with totally different costs on each page. Be certain your gross sales copy is precisely the identical on

every web page, and consists of your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum worth is.

Finally, when you've written a e-book that solves a downside or presents a new approach, your e book will bring in both visitors and profits. So you should definitely write that promoting-handle sentence that sums up what problem your e-book solves and what the advantages of your 392 guide might be to the customers who purchase it.
