One other strategy is to test out costs by making a variety of duplicate gross sales pages with different costs on every page. Make sure that your sales copy is exactly the identical on each web page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum worth is.

Finally, if you happen to've written a ebook that solves a downside or presents a brand new approach, your guide will usher in each visitors and profits.
