Marketing Strategies

The important thing that unlocks the sales potential of your e-book is to discover a single sentence that becomes your selling handle. An effective technique for determining a price is to send out a survey to your current customers. If these customers have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do this by creating a sales page for the new book, but don't embrace a price on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Ensure your sales copy is strictly the identical on every web page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum value is.
