An effective approach for figuring out a worth is to ship out a survey to your present customers. If these customers have already purchased an e book from you, ask for their opinion by way of price. Do that by making a sales page for the brand new book, however do not embody a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with different costs on every page. Ensure that your sales copy is precisely the identical on every page,

and contains your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum worth is.

Ultimately, in case you've written a e-book that solves a downside or presents a new technique, your e-book will bring in each site visitors and profits.
