Do this by creating a gross sales page for the brand new ebook, however do not embrace a price on that page. As an alternative, add various links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Make certain your sales copy is strictly the same on each

page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your site and sales of your book. This can tell you what your optimum price is.

Finally, if you happen to've written a e-book that solves a drawback or presents a brand new method, your guide will herald each site visitors and profits.
