Do this by creating a sales page for the new guide, however do not embody a value on that page. As an alternative, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to check out costs by making a number of duplicate gross sales pages with totally different prices on every page. Make sure your gross sales copy is precisely the identical on every web page, and includes your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum value is.

Ultimately, when you've written a e-book that solves a drawback or presents a new technique, your ebook will usher in both visitors and profits.
