and promotional materials, and each time anyone asks you about your ebook.

An effective approach for determining a value is to ship out a survey to your current customers. If these customers have already purchased an ebook from you, ask for their opinion by way of price. Do this by making a gross sales web page for the new book, however don't embrace a worth on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out prices by creating a number of duplicate gross sales pages with totally different costs on each page. Make sure that your sales copy is strictly the same on each page, and consists of your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. It will tell you what your optimum price is.

Finally, if you happen to've written a ebook that solves a downside or presents a brand new technique, your guide will usher in each traffic and profits. So make sure to write that selling-deal with sentence that sums up what problem your e-book solves and what the benefits of your 51 guide will be to the customers who purchase it.
