An efficient technique for determining a value is to ship out a survey to your present customers. If these clients have already bought an e book from you, ask for their opinion by way of price. Do this by making a gross sales page for the new guide, however do not include a worth on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate sales pages with totally different prices on each page. Be sure your gross sales copy is precisely the similar on every web

page, and consists of your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. It will let you know what your optimum price is.

Ultimately, for those who've written a e-book that solves a downside or presents a new method, your guide will bring in both site visitors and profits.
