these clients have already bought an book from you, ask for his or her opinion by way of price. Do this by making a sales page for the brand new ebook, but don't include a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out costs by creating a variety of duplicate gross sales pages with totally different prices on every page. Be sure your gross sales copy is strictly the identical on every web page, and includes your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and sales of your book. This will inform you what your optimum value is.

In the end, if you've written a e book that solves a downside or presents a new technique, your e-book will bring in each site visitors and profits.
