Do this by creating a gross sales page for the new ebook, however don't include a value on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out prices by making a number of duplicate sales pages with completely different prices on each page. Make certain your sales copy is strictly the same on each web page,

and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and gross sales of your book. It will tell you what your optimum value is.

In the end, for those who've written a guide that solves a drawback or presents a brand new approach, your e book will bring in both visitors and profits. So you should definitely write that selling-handle sentence that sums up what problem your ebook solves and what the advantages of your 609 guide will likely be to the shoppers who purchase it.
