Advertising Methods

The key that unlocks the sales potential of your book is to find a single sentence that becomes your promoting handle. This sentence states what question or downside your e book answers and the advantages your e book can provide. Then be sure you use that sentence in each piece of gross sales and promotional materials, and each time anybody asks you about your ebook.

Besides selling your books assiduously online, there are a number of different strategies that may make it easier to sell extra books.

One is to present something away free of charge with your guide, corresponding to a invaluable bonus item. Or bundle a number of ebooks beneath one worth, which lowers the price for each e-book in the event that they have been offered separately.

An efficient technique for determining a value is to send out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by creating a sales page for the new e book, but do not include a price on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a number of duplicate gross sales pages with different costs on each page. Make sure your gross sales copy is strictly the identical on every web

page, and contains your selling-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This will inform you what your optimum worth is.

Finally, should you've written a ebook that solves a problem or presents a brand new method, your book will herald both site visitors and profits. So remember to write that selling-handle sentence that sums up what problem your ebook solves and what the benefits of your 670 guide will probably be to the purchasers who purchase it.
