An efficient approach for determining a worth is to send out a survey to your present customers. If these clients have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by making a gross sales page for the brand new e book, but do not embody a value on that page. Another strategy is to check out costs by creating a number of duplicate gross sales pages with completely different costs on each page. Ensure that your sales copy is precisely the identical on

each page, and includes your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your website and sales of your book. This may inform you what your optimum worth is.

Ultimately, for those who've written a e-book that solves a drawback or presents a new technique, your book will usher in each site visitors and profits.
