Do this by creating a sales page for the new e book, however don't embrace a worth on that page. As a substitute, add various links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out prices by creating a variety of duplicate sales pages with different prices on every page. Be sure that your sales copy is strictly the identical on each page, and

contains your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and sales of your book. This may inform you what your optimum worth is.

Finally, in the event you've written a guide that solves a drawback or presents a brand new method, your book will herald both visitors and profits.
