If these customers have already purchased an e book from you, ask for his or her opinion in terms of price. Do this by making a sales page for the brand new guide, but don't include a value on that page. Instead, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with different costs on every page. Be certain your gross sales copy is exactly the similar on every web page, and consists of your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your website and sales of your book. This will tell you what your optimum worth is.

Finally, for those who've written a guide that solves a problem or presents a brand new method, your e book will bring in both traffic and profits.
