Do that by making a gross sales page for the brand new e book, but don't embrace a worth on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out costs by making a number of duplicate sales pages with different costs on each page. Be certain that your gross sales copy is strictly the identical on each page,

and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your site and gross sales of your book. This may let you know what your optimum value is.

Finally, should you've written a ebook that solves a downside or presents a brand new technique, your e book will usher in both traffic and profits. So remember to write that selling-handle sentence that sums up what drawback your e book solves and what the advantages of your 817 book can be to the shoppers who purchase it.
