As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out prices by making a number of duplicate gross sales pages with totally different costs on each page. Be certain that your sales copy is exactly the identical on every web page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum worth is.

Ultimately, for those who've written a e-book that solves a problem or presents a brand new technique, your book will usher in both traffic and profits.
