and promotional material, and each time anybody asks you about your ebook.

Make sure that your sales copy is exactly the identical on every web page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. This will let you know what your optimum price is.

Finally, for those who've written a guide that solves a drawback or presents a brand new method, your e book will usher in each traffic and profits.
