An effective technique for determining a value is to send out a survey to your current customers. If these clients have already purchased an book from you, ask for his or her opinion by way of price. Do this by creating a sales page for the new e book, however do not include a price on that page. As

a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with different costs on every page. Make certain your gross sales copy is exactly the identical on each page, and consists of your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. This can tell you what your optimum worth is.

In the end, in case you've written a e book that solves a problem or presents a brand new approach, your ebook will herald both site visitors and profits.
