Do this by creating a gross sales web page for the new e-book, but don't embody a worth on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by creating a number of duplicate sales pages with different costs on every page. Be sure your gross sales copy is strictly the similar on each page, and

consists of your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and sales of your book. This may let you know what your optimum value is.

Finally, in case you've written a e-book that solves a drawback or presents a brand new method, your e book will usher in each traffic and profits. So you'll want to write that promoting-handle sentence that sums up what problem your ebook solves and what the advantages of your 879 ebook might be to the shoppers who purchase it.
