Another technique is to test out costs by creating a number of duplicate sales pages with totally different costs on every page. Ensure that your sales copy is strictly the similar on each web page,

and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your website and gross sales of your book. This may inform you what your optimum value is.

Finally, in case you've written a guide that solves a downside or presents a new technique, your ebook will usher in both site visitors and profits.
