Do that by creating a sales page for the new e-book, but do not embrace a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out prices by making a variety of duplicate sales pages with different costs on every page. Make sure your sales copy is precisely the similar on every web page, and

includes your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. This may inform you what your optimum worth is.

Finally, should you've written a e book that solves a drawback or presents a new technique, your e-book will bring in each visitors and profits. So be sure you write that promoting-deal with sentence that sums up what problem your ebook solves and what the advantages of your 99 guide will probably be to the customers who buy it.
